Like the descriptions and photographs in the Annual Performance Report

The Annual Performance Report for 2023/24 is the same format as the previous one

The Annual Performance Report should cover all 14 outcomes of the Scottish Social Housing Charter

We will continue to report on all 14 outcomes of the Scottish Social Housing Charter

The Annual Performance Report should be available online only, as costly to send to every household

We will continue to have this available on our website and promote this through social media

Please send out information in my preferred format before the next session

Information emailed and posted out based on tenant's preference up to 2 weeks before session

I like that this is a small group, and it is really informal. I have lots of chances to ask questions

We will continue to offer sessions in Dundee and Angus as it is relevant to what matters to tenants
