

FACTORING SERVICES

This is a statement of the terms and service delivery standards of the factoring arrangement between Angus Housing Association Limited ("the Association") and you the owner. It is provided in accordance with the Property Factors Code of Conduct.

1. Authority to Act

The Association is the appointed factor for the Property in terms of the title deeds.

For the common repairs and maintenance service referred to below the Property is part of the tenement/block of FOUR dwelling houses at 1-4 Pitreuchie Place, Forfar. The Owner is liable for a QUARTER share of all common repair and maintenance costs.

For the common landscaping service referred to below the Property is one of ONE HUNDRED AND SIXTEEN properties that the Association provides the service to within PITREUCHIE area. The Owner is liable for a ONE HUNDRED AND SIXTEENTH share of the common landscaping costs.

2. Services

The Association will provide the following core services:-

a. Common Repairs and Maintenance

This will include repairs and maintenance to the common parts of the property such as common roofs and close areas. The Association will carry out routine inspections of the tenement/block in which the Property is located at least annually.

Repairs should be reported as soon as possible either in person at either of the Association's Offices in Dundee or Arbroath or by calling **0345 177 22 44**.

This List outlines the priorities and response times for repairs.

CATEGORY	RESPONSE TIMES
Emergency	Up to 3 hours
Urgent	Up to 24 hours
Essential	Up to 3 working days
Standard	Up to 10 working days
Routine	Up to 20 working days

For emergency out of hours repairs the Owner should contact the Association's emergency repair contractor, whose details are available on our website www.angusha.org.uk. The current contractor is Dundee Contract Services (01382 434343). This service is for common emergency repairs only.

N.B. An emergency repair is where work is required urgently to prevent damage or in the interests of health and safety and there is insufficient time to follow the normal reporting procedures.

The process for notifying owners for repairs and general maintenance shall be:-

- for any single item of work estimated to cost less than £50 per property we shall proceed without notification.
- for any single item of work estimated to cost between £50 and £250 per property we shall proceed with the work, but issue confirmation to each owner.
- for any single item of work estimated to cost in excess of £250 per property we shall consult with owners first before carrying out the work.

b. Common Landscaping

This will include where appropriate cutting grass areas, weed killing to hard landscaped areas, root treatments, maintenance of all shrubbed areas, removal of grass cuttings and fallen leaves, annual inspection of all trees and a litter pick before every maintenance visit.

For any issue relating to the common landscaping service please contact the Association by calling **0345 177 22 44**.

The process for notifying owners for non-routine landscaping costs shall be:-

- for any single item of work estimated to cost less than £50 per property we shall proceed without notification.
- for any single item of work estimated to cost between £50 and £250 per property we shall proceed with the work, but issue confirmation to each owner.
- for any single item of work estimated to cost in excess of £250 per property we shall consult with owners first before carrying out the work.

3. Financial and Charging Arrangements

Management Fee

The Association charges an annual management fee of £xx for the period 1st April xxxx to 31st March xxxx.

The management fee will be reviewed annually and is normally increased in line with inflation. The Association reserves the right to review the basis of this charge. Any fundamental change will only be implemented after consultation with owners.

This is a flat rate charge that the Association applies for the provision of services detailed in Section 2 above.

Repairs, Maintenance and Landscaping Charges

The actual costs of all repairs, maintenance and landscaping costs are recharged to the affected owners in arrears. This ensures that the Owner is charged the share of the actual cost of the works.

Invoicing

The Association will endeavour to issue an invoice in July each year which will cover:

- ❖ the Management Fee for the current year.
- ❖ the Owner's share of the cost of any common repairs and maintenance works completed in the previous year to 31st March.
- ❖ the Owner's share of the cost of common landscaping works carried out in the previous year to 31st March.

The invoice will include a summary of the works undertaken. A file with copies of all invoices for works undertaken will be kept by the Association and is available for inspection. If the Owner wishes to see this file then please contact the Association's Customer Service Team who will make an appointment for this.

The invoice is due for payment within 28 days of issue. The Association may accept payment by instalments but any such arrangement must be agreed within the 28 days of the invoice issue date and may be subject to a charge of interest.

The following methods of payment are currently available:

- ❖ Direct Debit
- ❖ Standing Order
- ❖ Payment by Cheque
- ❖ Payment by Allpay
- ❖ Payment by Debit/Credit Card

Specific Projects/Cyclical Maintenance

For specific projects and cyclical maintenance work, the Association will contact all affected owners in advance with details of the work and the likely costs in order that agreement of a majority of owners is obtained in advance of commencement of the works.

The Association does not maintain a planned maintenance float or fund for such works.

Any proposal for such works will include proposals for how the works are to be paid for.

Debt Recovery

The Association has a debt recovery procedure for factoring service debts which is available on request or from the Association's website www.angusha.org.uk.

If an affected owner refuses to pay the sum he is due the Association will pursue recovery of the debt. In the event that the Association is unable to recover all or any part of the sum due by the defaulting owner the shortfall will be recharged pro rata between all other affected owners including the Association where the Association is an affected owner.

The Association will inform all affected owners of any debt recovery issues that arise from time to time.

Change of Ownership

If there is a change in ownership of the Property then the Association will apportion the factoring charges between the Owner and the new owner at the date of sale. In order to do this efficiently the Owner should inform the Association of any change as soon as the date of sale is known and provide details of the new owner to the Association.

4. Communication Arrangements

The Association has a Complaints Policy for dealing with complaints relating to the service provided by the Association.

If a complaint cannot be resolved at the time it is made the complainer will be asked to submit the complaint in writing. There is a separate leaflet available which explains the Association's Complaints Policy and it has a form attached to assist the submission of a written complaint. The leaflet is available from any member of the Association's staff or from the Association's website (www.angusha.org.uk).

On receipt of a complaint the Association will acknowledge it within three working days. The complainer will be notified in writing within ten working days of receipt of the complaint of the outcome of the enquiry unless further investigation is required. If additional time is needed, an explanation will be given along with an estimated timescale of when the complaint will finally be resolved or answered.

Homeowner Housing Panel

The Homeowner Housing Panel has been established to investigate and determine complaints by homeowners against their property factor. This is a free and impartial service which the Association will actively encourage the Owner to use if the Owner has a grievance regarding the Association's factoring service and the Association has not been able to resolve it.

Information about the Homeowner Housing Panel will be given to any Owner making a complaint about the Association's factoring service. Information on the panel will be also available on the Scottish Government website <http://www.scotland.gov.uk>.

5. Declaration of Interest

In relation to the services the Association provides to the Owner please note the following:-

- a. The Association may own another property or properties within the block/tenement in which the Property is located; and
- b. The Association may own or have a right in common ownership of the landscaping areas which the Owner of the Property has an obligation to contribute to the maintenance of.

6. How to End the Arrangement

If the Owner wishes to terminate the Association's appointment for the provision of the services referred to in this Schedule then the Owner requires to call a meeting of all affected owners to discuss the proposal for the termination of the Association's appointment. If the requisite majority of owners is obtained and the decision is communicated to the Association then the Association's appointment can be terminated. Reference is made to the terms of the Title Conditions (Scotland) Act 2003 and the title deeds for the Property regarding the procedures for termination of the Association's appointment.

7. Getting in Contact
